

owasys 112C

NOW THERE IS A MOBILE PHONE AS EASY TO USE AS YOUR HOME PHONE.

**THE EASIEST TO USE MOBILE PHONE!
WITH EMERGENCY KEY!**

A mobile phone designed for you!
Friendly and useful, with a dial tone similar to your home phone. Including a exclusively key for emergency calls

and the programming of preferred numbers (In the telephone's memory).
owasys112C, the easiest to use mobile phone on the market.

A limited edition for those who want the safety and comfort of having a mobile, without the unnecessary stress that comes from using a complicated telephone.

What you have always wanted is now available! Simple, user friendly, straight forward and without barriers.

A KEY DEDICATED TO EMERGENCY CALLING

- Pressing this key longer than 2 seconds, will initiate an automatic emergency call. It allows some time for cancellation in case of accidental activation.

SINGLE TOUCH KEYS WITH ASSOCIATED PROGRAMMABLE MEMORIES.

- Pressing any of these keys longer than 2 seconds will automatically dial the pre-programmed number.

DIAL TONE.

- Just like your home phone, hear a dial tone before dialing!

IT INCLUDES:

- High quality Hands-free option.
- Keys with high tactility.
- Vibrating alarm.
- Embedded antenna.
- High Capacity Li-Ion battery.
